FARGOTEX®

MAGIC HOME improves Fargotex fabrics with advanced properties:

- easy cleaning with water
- limited absorption of fluids
- high resistance to mechanical damage, such as scratches, snags
- protection against viruses, bacteria and fungi

Thanks to Magic Home Technologies, Fargotex fabrics are able to overcome the challenges
of everyday life, giving users maximum comfort and safety on a daily basis.

WATER REPELLENT

A technology of covering the fabric with a special hydrophobic coating that effectively hinders the absorption of spilled liquids, leaving drops on the surface of the material.

EASY WATER CLEANING

At the production stage, fibres are coated with special molecules that protect the fabric from dirt. Thanks to this, all stains are quickly and efficiently cleaned.

PET FRIENDLY

Products from this group have undergone s pecial laboratory tests to check resistance to snagging caused by scratching. They are very durable and easy to clean.
